lawrence d. brown, ph.d. introduction it is not difficult to characterize medi-care as an element of public policy. **negotiating agreement in politics - harvard university** - negotiating agreement in politics the breakdown of political negotiation within congress today is puzzling in several important respects. the united states used to be viewed as a land of broad consensus and pragmatic politics in which sharp ideological differences were largely absent; yet today politics is dominated by **politics and the effect on the national labor relations ...** - gould galley's proofs 2 6/4/2015 3:24 pm politics and the effect on the national labor relations board's adjudicative and rulemaking processes william b. gould iv\* abstract the national labor relations act has never explicitly required political **religion and politics since 1945 - mind over chatter since ...** - religion and politics since 1945 453 religion and politics since 1945 the united states in the second half of the twentieth century was, paradoxically, both very secular and very religious. like most other industrialized democracies, it conducted its daily business in a pragmatic and down-to-earth way. at the same time, however, **the theory of international politics** - the theory of international politics therefore, the seeker after the truth is not one who studies the writings of the ancients and, following his natural disposition, puts his trust in them, but rather the one who suspects his faith in them and questions what he gathers from them, the one who submits to argument and **women in politics in the fifties - dwight d. eisenhower ...** - women in politics in the fifties: as voters, and politicians . eisenhower, dwight d.: records as president (white house central files), 1953-61 . official file . box 587 of 138-a-4 elections and voting, congressional elections & voting, january- july 1954 (1) [strategy for televised appeal to women voters] **media politics and democracy - university of washington** - media, politics, and democracy americans have grown increasingly cynical about politics, politicians, and the media. yet media, civic engagement, and governing are intertwined, for better and worse. the relationships between citizens, information, and action are constantly changing as new media and technologies expand. **power and organizational politics** - according to aristotle, politics stems from a diversity of interests. to fully understand the politics of the organization, it is necessary to explore the processes by which people engage in politics. consistent with aristotle's conceptualization, it is a given that, within the organization, **public choice: politics without romance** - collective action, ordinary or day-to-day politics and constitutional politics. indeed, the subtitle of that book was 'logical foundations of constitutional democracy'. clearly, political action takes place at two distinct levels, one within the existing set of rules or constitution, the other establishing **728 politics of teaching - discourse in society** - in politics and in the social sciences, the notion of 728 politics of teaching. ideology continued to carry its negative connotation, and was often used in opposition to 'objective' ... **politics and the english language - the university of ...** - politics and the english language george orwell { 1946 most people who bother with the matter at all would admit that the english language is in a bad way, but it is generally assumed that we cannot by conscious **politics - hoover institution** - politics. this is what we should expect in a country that has always had forms of racial and ethnic discrimination, and in which civic and university and corporate elites, for all their tut-tutting about ethnic politics, have often been more hearty practitioners than ordinary people of ethnic dis- **models of politics - university of michigan** - politics is a struggle over "who gets what, when, and how." - harold lasswell 'politics' refers to conflicts over character, membership, and policies of any organization to which people belong - theodore lowi and benjamin ginsberg politics is the art of looking for trouble, finding it everywhere, and applying the **the relationship between law and politics** - the relationship between law and politics dr. miro cerar\* abstract: this article examines some basic characteristics of the relationship between national and international law and politics. the law functions in relation to politics in three basic aspects, namely as a goal, a means, or an obstacle. **political designs: the politics of utopia: classical ...** - rather, aristotle's science of politics is a wisdom of politics, the result of steady reflection on the human condition and the nature of the human good. that is, the science of politics takes its bearings from the nature of man, from an understanding of the various elements of human character, and the variegated types of human **politics & global warming, spring 2014 - environment.yale** - politics & global warming, spring, 2014 4! key findings this report focuses on how americans (registered voters) across the political spectrum - democrats, independents, and republicans and liberals, moderates, and conservatives - view global warming and how they think citizens and government should address it. **what is political? - the george washington university** - what is political? amitai etzioni 11 here is no widely agreed upon definition of what is political. a definition that seems fruitful is to hold that political processes concern bridging power differences with society with those within the state, bridges that carry inputs both from society to the state **a strategy for reinvigorating our democracy** - by nearly every measure, the industry of politics, itself, is thriving. there's just one problem. the people whom the politics industry is supposed to serve have never been more dissatisfied. public trust in the federal government is hovering at a near 60-year low. competition in politics appears intense, which is usually good for customers. **political christianity in the early church** - political christianity in the early church by robin phillips it is commonly assumed that prior to constantine in the fourth century, christians had as little to do with politics as possible. this is far from true. in the 1st century itself, christianity and politics were inextricably combined. in order **women's political participation: issues and challenge s\*** - egm/wpd-ee/2005/ep.12 03/11/2005 3 domestic roles in the private sphere and maintained that there was no place for women in politics because of their suitability in caring roles as mothers and wives.
