# When Women Were Birds Fifty Four Variations On Voice

## Terry Tempest Williams

**time line: women in the u.s. military - history** - time line: women in the u.s. military . 1775–1783 during the revolutionary war, women follow their husbands to war out of necessity. many serve in military camps as laundresses, cooks, and nurses but only with permission from the commanding officers and only if they **the story of women who followed jesus** - all these were continually united in prayer, along with the women, including mary the mother of jesus, and his brothers. (acts 1:14) 2. today we are focusing on these women who followed jesus together. list the names of the women who followed jesus in these scriptures. write down beside their names what you discover about each one from the text. **women in congress: statistics and brief overview** - the numbers of women serving fluctuated during the 115th congress; there were 109 women initially sworn in, 5 women subsequently elected to the house, 2 appointed to the senate, and 1 woman in the house who died in office. the very first woman elected to congress was representative jeannette rankin (r-mt, served **women and imprisonment in the u.s. history and current ...** - more women were charged with witchcraft, and women were more likely than men to be convicted and executed. in fact, men who confessed were likely to be scoffed at as liars. but age, too, was an important factor. women over forty were most likely to be accused of witchcraft and fared much worse than younger women when they were charged. women ... **chapter 5 changing gender relations in the household** - over and over again, across countries, women were identified and identified themselves as "homemakers," the keepers of the family, responsible for the well-being of their children and husbands. the ppas relate that women often feel powerless and yet are willing to undertake considerable risk in order to provide for their children. **fact sheet: incarcerated women and irs incarcerated women ...** - twice the rate of imprisonment for white women (53 per 100,000).3 • hispanic women were incarcerated at 1.2 times the rate of white women (64 vs. 53 per 100,000).4 • the rate of imprisonment for african american women has been declining since 2000, while the rate of imprisonment for white women continues to rise. **elizabethan women - phillyshakespeare** - women were not allowed an education as we understand education today. the belief that only boys were admitted into grammar school is myth; some girls were allowed to enter school as early as the mid-1500's, but those girls were not allowed to proceed to university, nor work in professional fields. a woman's proper **people at the cross 14 people at the cross** - the women. sympathetic, heartbroken women (luke 23:27-31) wept for jesus as he made his way to golgotha. jesus gave a frightening revelation to them. they were soon to cry for themselves. jerusalem crucified jesus, but god would allow jerusalem to be destroyed by roman conquerors (a.d. 67-70). the women were there. they did not run. they cared. **women in european history** - o women were to make themselves pleasing to the man (castiglione)-- only upper classes o sexual double-standard: women were to remain chaste until marriage; men were permitted to "sow their wild oats." o more prostitution than in middle ages o rape not considered a serious crime **women in the workforce - census** - who were either (1) at work during the reference week; or (2) those who did not work during the reference week but had jobs or businesses from which they were temporarily absent. full-time, year-round workers . all people 16 years old and over who usually worked 35 hours or more per week for 50 to 52 weeks in the past 12 months. **women in the united states: a profile - census** - women in the united states: a profile current population reports figure 1. more women these days live alone percent of people living alone by age and sex: 1970 and 1998. women outnumber men. in march 1999, the civilian noninstitutional population of the united states totaled approximately 272 million—139 million were female and 133 million ... **bureau of justice statistics special report** - women were under the care, custody, or control of correctional agencies & probation or parole agencies super-ising 85% of these offenders in the community. the total equals a rate of about 1 woman involved with the criminal justice system for every 109 adult women in the u.s. population. ø women under supervision by justice system agencies were **a century of change: the u.s. labor force, 1950-2050** - a century of change: the u.s. labor force, 1950-2050 an increase of 51 million, or a growth rate of 0.6 percent annually, between 2000 and 2050. (see table 1.) • changes in gender structure of the labor force. women in the labor force increased their numbers at an extremely rapid pace in the past 50 years. it is anticipated that their **the birth control pill a history - planned parenthood** - were involved in clinical trials of various formulations of the pill. another 500,000 women had used the first brand — enovid — for up to three years for menstrual regulation. but in the end, searle submitted reports on only 897 women in its application for fda approval (asbell, 1995; marks, 2001; marsh & ronner, 2008). **national sexual violence resource center info & stats for ...** - y 12.3% of women were age 10 or younger at the time of their first rape/victimization, and 30% of women were between the ages of 11 and 17 (a) y 27.8% of men were age 10 or younger at the time of their first rape/victimization (a) y more than one-third of women who report being raped before age 18 also experience rape as an adult (a)
